CALIFORNIA LEGISLATURE—2005–06 REGULAR SESSION

ASSEMBLY BILL

No. 705

Introduced by Assembly Member Nakanishi

February 17, 2005

An act to amend Section 21025.5 of the Government Code, relating to public employees' retirement.

LEGISLATIVE COUNSEL'S DIGEST

AB 705, as amended, Nakanishi. Public employees' retirement: school members.

Existing law authorizes a school member or a retired school member of the Public Employees' Retirement System to elect to receive service credit for certain public service, performed for an independent data center, as specified. ~~If that election is made by a retired school member, existing law provides that his or her retirement allowance shall be increased only with respect to the allowance payable on and after the first day of the month following the date the election is received.~~ Existing law ~~also~~ specifies the method for calculating the contributions a member electing to receive credit for the service must make in order to receive credit for that service.

~~This bill would instead authorize that increase for a retired school member with respect to the allowance payable on and after the date of retirement. The bill would also~~ revise the method for calculating contributions the member must make in order to receive the service credit.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
